

Hi, my name is Alexander Kosachev!

I am the founder of scam crypto project *I AM AERO*, thanks to which you will become poorer, and I will be richer.

We are conducting a large-scale fundraising campaign, promising fast profits or discounts on helicopters or airplanes, but we are not going to keep our promises. Our ICO is **SCAM**.

You could see articles and videos on YouTube, where I talk a lot about our production and assets, but in reality there is nothing of this. All I have is a criminal record for financial fraud and bankruptcy. I am a fraudster with experience, but in Russia bailiffs are looking for me, so I decided to
